### **HAIR HELP!**

How to make the perfect dancers bun 101:

\*\*\* Hair bun donuts might be easier and make a great dancer bun!\*\*\*

Begin by combing hair and lightly dampen by spritzing with a spray bottle of water or wet comb. Make sure hair is just slightly damp because soaking hair will turn slippery and difficult to work with. The bun will have to be secured with bobby pins. Use gel and hairspray to smooth back wispsies and fly-aways.
