All dancers should have their names on the inside of their dance shoes! (Marker, sticker, etc.) This helps us return to their owners if left behind and keeps us organized for performances. Thank you!!

FUSION PRODUCTION AD DRIVE

We are going to be kicking off our 2017 Production Ad Drive April 1st! Ad forms will be available at the front desk and are available to print off our website. Our program will serve as an advertising tool for local businesses and will also give families the opportunity to wish their dancers good luck. The proceeds from the ads will go directly toward our production expenses such as the rental fee, printing, lighting & sound, which will make our show look and sound professional. We hope that everyone will participate in making our production a huge success & help add a personal touch to our program. Our students will be so touched by the wonderful wishes that will be printed in our program book that will forever be a keepsake.

Program ads are due no later than May 2nd!

Please email Angela@FusionFitnessandDance.com if you are interested in being a Fusion representative on our Ad Drive Team to spread the word to local businesses!
